A tropical beach scene at sunset. In the foreground, a large palm tree stands prominently, its fronds silhouetted against the bright orange and yellow sky. To the left, a portion of a large beach umbrella is visible. In the background, several other beach umbrellas are scattered along the shoreline, and a group of people can be seen standing near the water's edge. The ocean is calm, reflecting the colors of the sunset. The sky transitions from a deep orange near the horizon to a pale blue at the top.
